

Voice Mail

Mid Century Voice Mail will answer your calls when you are not able to. Whether you are there, away or on the phone voice mail will answer your call. You are alerted of new messages with a stuttered dial tone and a message indicator light (dependent upon your equipment). Messages are easily retrieved from any phone, web browser and email notifications.

Sub mailboxes are available for an additional monthly charge.

Voice Mail Access Number

- 778-8000

Setup for No Answer

- At the dial tone press ***92**
- Listen for dial tone and enter number of rings from (2 -9) to be allowed before the call is forwarded to your Voice Mail
- Dial the access number
- Follow the voice instructions

Cancel or Change Number of Rings

- At the dial tone press ***93**
