*Payment of \$25 sign-up is required to qualify your neighborhood for a fiber build and will be credited toward your first month's service. The sign-up fee is refundable if a build-out does not occur in your neighborhood in 12 months. Sign-up fee is nonrefundable if neighborhood build occurs and service is not taken. You must have the service installed during the Installation Phase or your \$25 payment may be forfeited. Terms and conditions apply. Internet speeds are "up to" speeds and not guaranteed. If connecting via Wi-Fi device speeds vary depending on numerous factors. Monthly Price for Life applies to the Internet plan and residential location selected at time of install; standard monthly pricing may apply to any future plan changes i.e. Standard \$59.95, Elite \$69.95 and Ultimate Gig \$199.95 per month. Free installation applies in fiberhoods and includes up to 200' of cable, additional time and material will be billed accordingly. We reserve the right to cancel or change service plan offerings at anytime without notice. Phone service only available to customers with a Mid Century Fiber Internet subscription. Certain taxes, fees, and restrictions apply.

Today's Television With Mid Century Fiber

A Budget Friendly Way To Watch What You Want, When You Want, Including LIVE TV!

Watch your favorite shows, major networks, sports and LIVE TV by streaming Television with an over-the-top (OTT) device and your Mid Century Fiber internet connection. There are multiple TV Streaming services to choose from, most offer a FREE trial period, No Contract, several free services as well as paid services.

Not sure if streaming TV is right for you? Stop by one of our FREE streaming events, our Fairview Office or give us a call at 309-778-8611 and speak with a streaming specialist. The specialist can help you find a programming package and device that best fits your needs all for no charge.

Not sure about setting up your device and service? No problem, for a one-time charge Mid Century's streaming support team can come to your home and do it for you.

**Streaming services (paid and free) are available through the streaming service provider and billed separately. They are not associated with Mid Century.*

Ask us about Local Telephone Service and how you can keep your same number!
